

Dear Mr Gonen,

I would like to thank you for everything, my mom's hair is completely grown back.
She has a full head of hair! A success story indeed.

Attached is the photos. We would not mind at all publishing the photos on your website, I encourage everyone to try it, as it has changed her life. And it is all natural products. My mom is just so happy with the end result and want other people to also be helped.

Thank you so much.
